About the Conference :

The Bay of Bengal Initiative for Multi Sectoral Technical and Economic Cooperation shares our common development space linking South Asia and South East Asia. Thriving on a host of economic opportunities, the grouping is becoming as the architecture of regional cooperation. It is an opportune time to shape its future, write its own growth story and define a roadmap for new beginnings and sustained partnerships among the Member States of BIMSTEC.

Engaged participation from all BIMSTEC Member States

Witness active participation of leading dignitaries, policy makers, industry players, think tank experts, civil society and the media from all BIMSTEC countries.

Presence of India's 8 North Eastern States on the same platform

Access to FICCI's Knowledge Series on BIMSTEC

Engaged B2B and B2G dialogues.

Special sessions with the public leaders, states sessions and the media

Focused plenaries on Trade & Investment, Transport & Connectivity, Technological Cooperation & Skills Development, Environment & Energy, Media, Academia & Culture
