Welcome to

# INDIA'S BIGGEST STONE INDUSTRY EXPO

India Stonemart 2017 would be the largest international exposition on stone industry showcasing the world of natural dimensional stones, ancillary products and services comprehensively. The event would bring together various stakeholders of the stone industry, viz. domestic and overseas producers, exporters & importers, consumers and buyers, experts, technology providers, architects, builders, developers, corporates, etc. under a single umbrella.

India Stonemart 2017 would provide an ideal platform to exhibitors to promote their products, services and brand image amongst the consumers from across the globe and establish business linkages with them for enhancing their business horizon and prospects.

The event is organised by Centre for Development of Stones (CDOS) with Federation of Indian Chambers of Commerce and Industry (FICCI) as co-organiser and is supported by the Government of Rajasthan and other reputed institutions. Rajasthan State Industrial Development & Investment Corporation Ltd. (RIICO) is the Principal Sponsor of the event.

India Stonemart has created a place for itself in the international stone exposition space offering participants high quality infrastructure, facilities and services. With the ever increasing number of exhibitors and a record number of business visitors, India Stonemart 2017 is an ideal springboard to negotiate business deals, network with the stalwarts of the industry and to simply do business.

## JAIPUR

Jaipur, the venue for India Stonemart 2017, is a city where stone architecture reinvents itself at every turn. Its heritage hotels, palaces, temples and forts bear testimony to the natural stone fascination of the erstwhile Rajputana. Modern construction carries similar signature themes and elaborates definitions of dimensional stone applications. Besides being renowned for its living heritage, Jaipur is also winning acclaim as a throbbing centre for stone quarrying, processing and stone handicrafts.

A photograph of a panel discussion or press conference. Four individuals are seated at a long table with microphones. The background is a wall covered with a repeating pattern of logos, including 'CBOS' and 'FICO'. The names of the participants are visible on the table: C.S. RAJAN, S. SURESH KANTH, and others.

The Centre for Development of Stones (CDOS) is a Centre of Excellence and reference point for the entire dimensional stone industry. It serves as a catalyst for synergetic relationship between various segments of the industry. CDOS is the only organisation of its kind in India, covering the entire gamut of the dimensional stone sector with members of trade & industry being its active members. The CDOS complex with state-of-the-art facilities is situated at Jaipur, the capital of Rajasthan, India. Rajasthan State Industrial Development and Investment Corporation Ltd (RIICO) has been supporting CDOS in all its activities.

FICCI is the voice of India's business and industry. Established in 1927, it is India's oldest and largest apex business organization. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.
